3

Introduceti clema de fixare
in gatul manechinului.

4

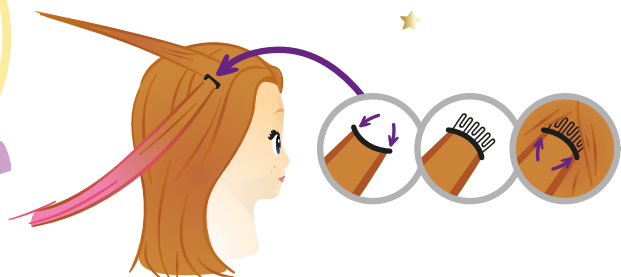

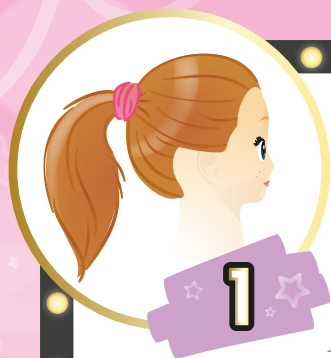

Strangeti clema de masa
astfel incat bustul sa ramana
fix.

5

Slabiti inelul superior pentru a putea intoarce capul in timpul
coafarii.

Nu folositi caldura pe par!

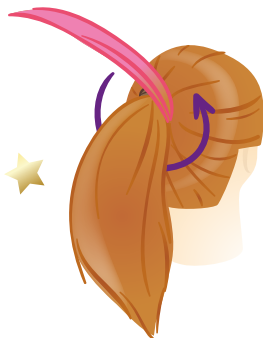

1

Luati o suvita de par dintr-o parte a capului si prindeti apoi o extensie de par vopsit.

2

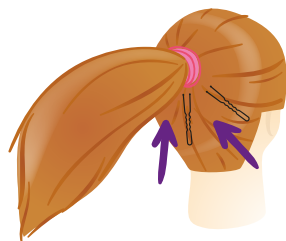

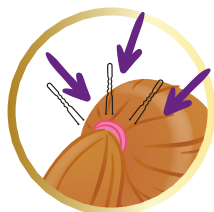

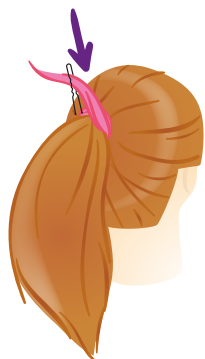

Luati un elastic mare de par si prindeti parul intr-o coada de cal.

3

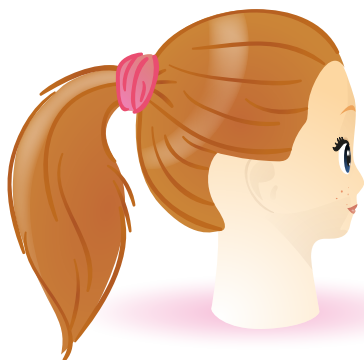

Prindeti extensia roz si infasurati-o in jurul elasticului de par.

5

4

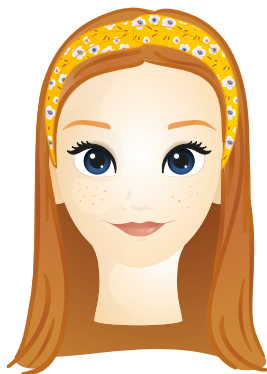

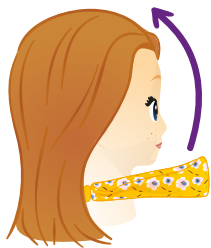

Fixati cu ajutorul agrafelor pentru coc.

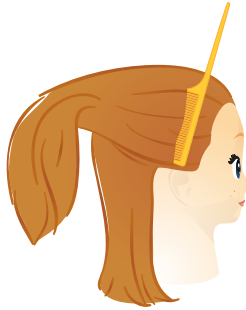

1 Plasati bentita in jurul gatului, sub par.

2 Ridicati bentita deasupra capului. Aranjati parul de jur imprejurul ei.

1

Luati un elastic mare si prindeti jumatate din par intr-o coada. Folositi pieptanul pentru a separa suvitele de par.

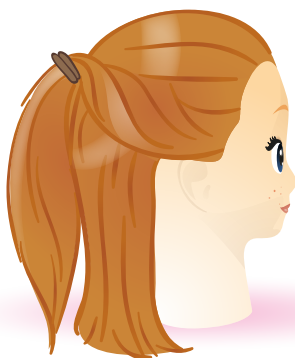

2

Cu varful pieptenului impartiti coada in doua parti egale si treceti coada prin gaura facuta, astfel incat sa obtineti un efect de rasucire.

3

Aranjati lejer coafura si aranjati suvitele daca este cazul.

1 Separa parul in trei suvite egale.

2

Treceti suvita din dreapta (3) peste cea din mijloc (2).

3

Treceti suvita din stanga (1) peste partea din mijloc (3).

4

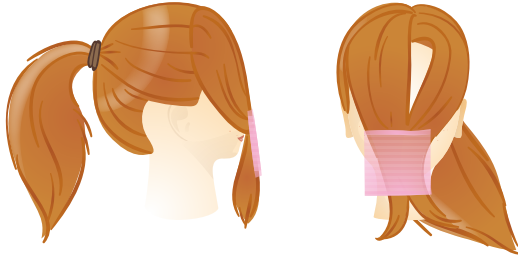

Treceti suvita din dreapta (2) peste cea din mijloc (1).
Repetati pasii pana terminati tot parul de impletit si
apoi prindeti coada cu un elastic mare de par.

5

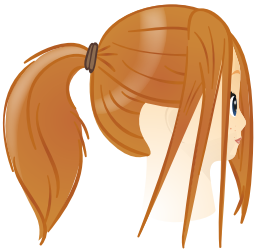

1

Cu ajutorul benzii velcro, dati deoparte doua suvite egale de par. Luati un elastic mare de par si prindeti restul parului intr-o coada.

2

Separati fiecare suvita pe care ati pus-o deoparte in trei parti egale.

3

Luati prima suvita de sus si rasuciti-o pe toata lungimea ei.

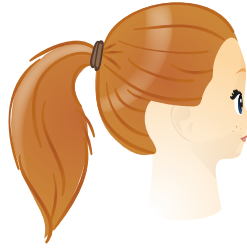

4

Rasuciti suvita in jurul elasticului si prindeti-o cu o agrafa. Repetati pasul si pentru cele 5 suvite ramase.

5

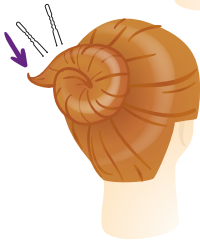

1

Luati un elastic mare de par si prindeti parul intr-o coada.

2

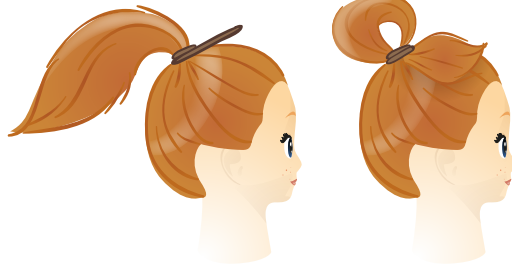

Rulati coada in sus pentru a face un coc. Prindeti cocul cu agrafe.

Prindeti elasticul cu funda in jurul cocului.

3

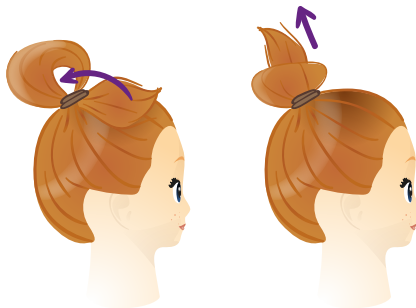

1

Faceti o coada inalta. Cand prindeti coada cu elasticul ultima data, nu trageri coada pana la capat, ci formati o bucla.

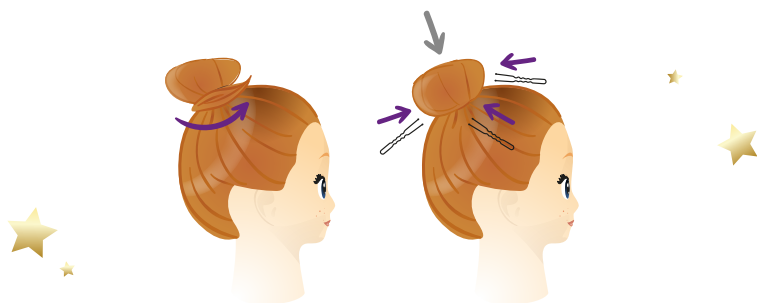

2

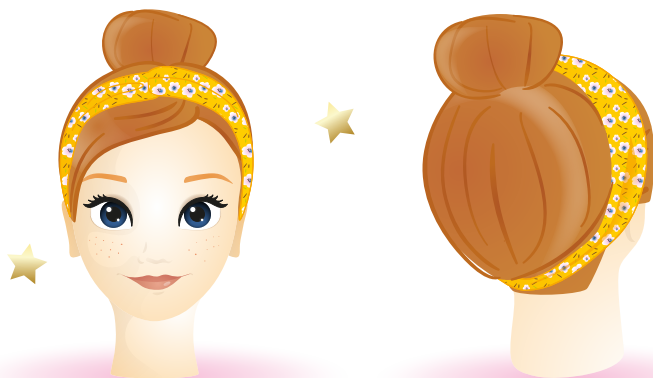

Treceti varful cozii prin bucla si trageri-o in sus.

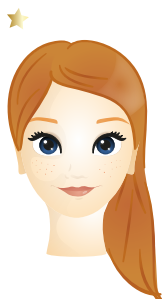

★ **3** Rulati varful cozii in jurul cocului si neteziti cocul.

4 Puneti bentita.

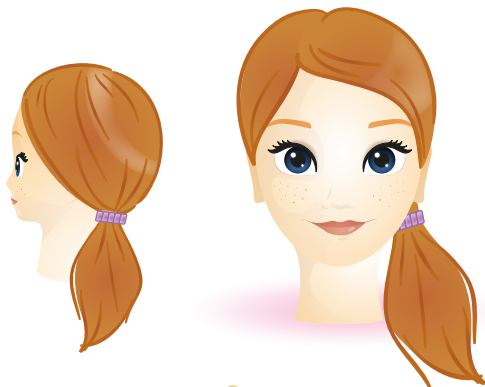

1

Folosind o perie, mutati tot parul intr-o parte.

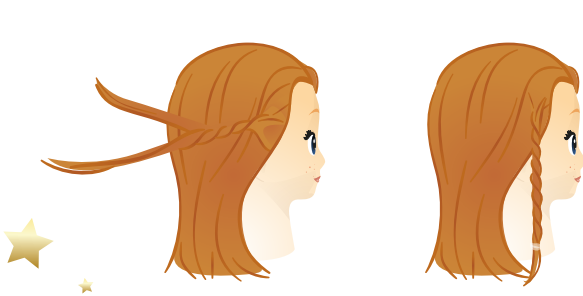

2

Faceti o coada joasa intr-o parte si prindeti-o cu elasticul spiralat.

- 1** Folosind un pieptene luati doua suvite de par din partea stanga.

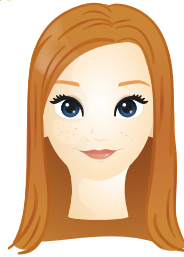

- 2** Impletiti cele doua suvite impreuna si prindeti-le cu elasticul mic.

3

Repetati pasul si pentru partea dreapta si prindeti cele doua codite impletite la spate cu un elastic mic.

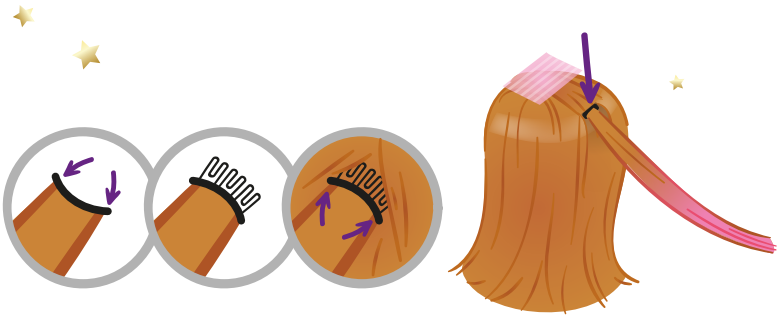

1 Periați parul până când este foarte neted.

2 Folosind pieptenele ridicați 3 suvite și prindeți-le cu o bandă velcro.

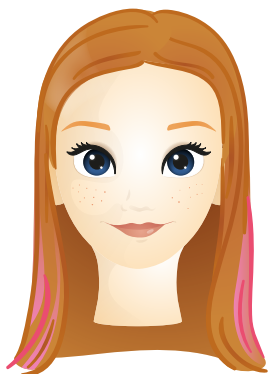

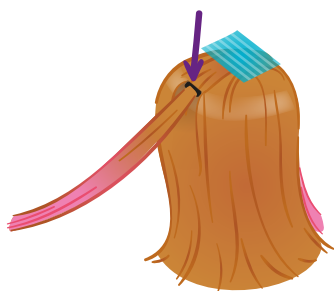

3 Deschideți extensia și fixați clema în varful capului.

- 4** Dati drumul parului si clema ar trebui sa fie acoperita de suvitele de par.

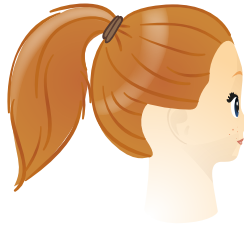

- 5** Repetati pasii 2 si 4 pentru cealalta parte a parului.

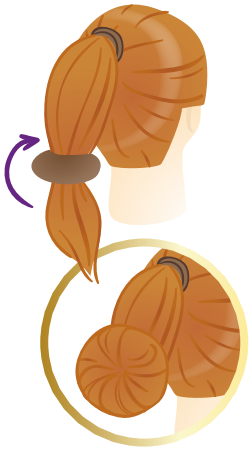

- 6** Periati parul cu atentie, in asa fel incat extensiile sa se imbine cu parul.

1

Luati un elastic mare si faceti o coada inalta.

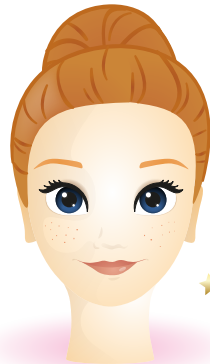

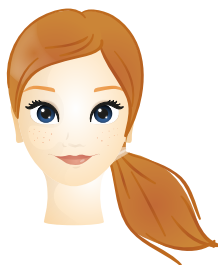

2

Puneti buretele pentru coc la capatul cozii si rasuciti parul in exterior in jurul buretelui de-a lungul cozii pana ajungeti la cap.

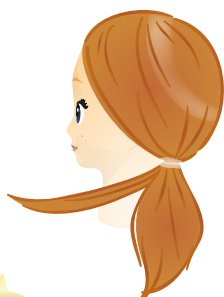

3

- 1** Luati un elastic mic si faceti o coada intr-o parte.

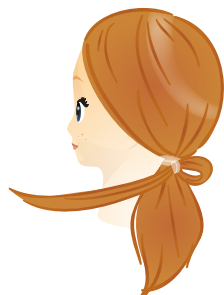

2

- Luati cea mai lunga suvita din coada.

3

- Faceti o bucla cu ajutorul unui elastic mic.

4

Faceti acelasi lucru si in partea opusa folosind inca un elastic mic, formand astfel o funda.

5

Cu varful pieptenului creati o mica deschizatura in spatele fundei. Introduceti suvita mica inaintre si tragereti-o afara usor cu degetele.

6

13

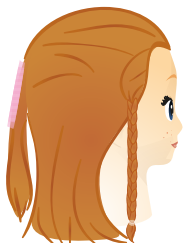

1

Luati o portiune de par de deasupra urechii. Prindeti restul parului la spate cu o banda velcro.

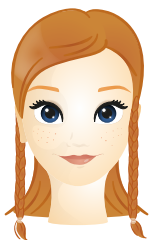

2

Impartiti portiunea de par in 3 suvite. Impletiti parul si prindeti-l cu un elastic mic la capat.

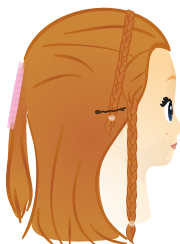

25

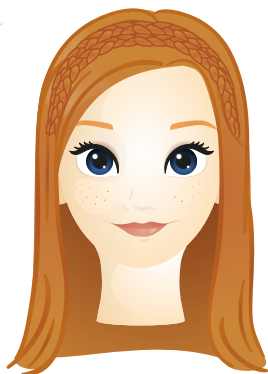

3 ★

Repetati pasul si pentru cealalta parte a capului.

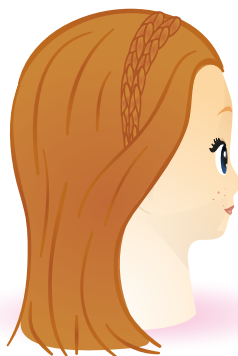

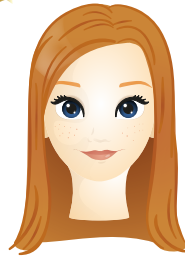

4

Prindeti fiecare codita cu o agrafa dreapta pentru a crea impresia unei bentite.

5

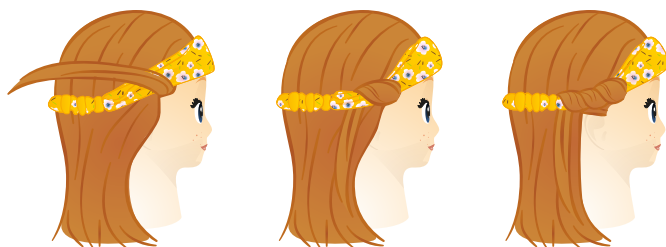

1 Periati parul usor pana cand devine foarte lin.

2 Puneti bentita in jurul capului.

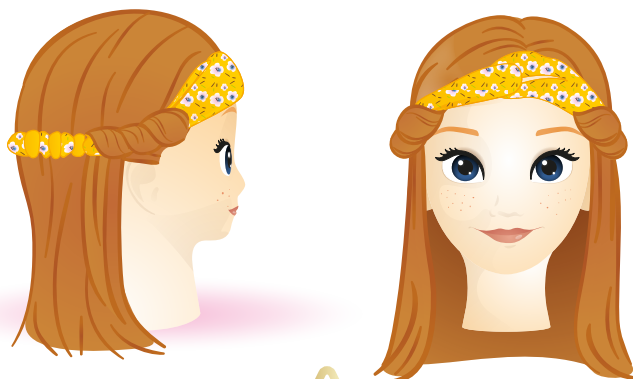

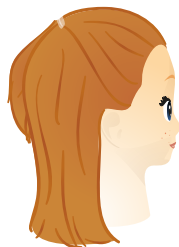

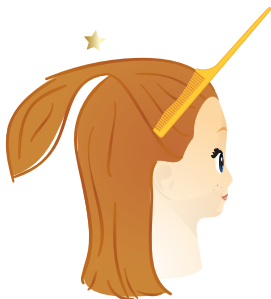

3

Luati o suvita din fata si rasuciti-o in jurul bentitei. Continuati asa, suvita cu suvita, pana in dreptul urechii.

4

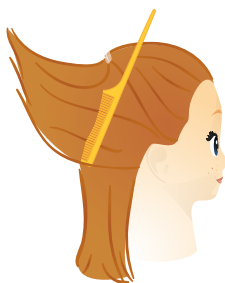

Faceti acelasi lucru si in partea opusa.

1

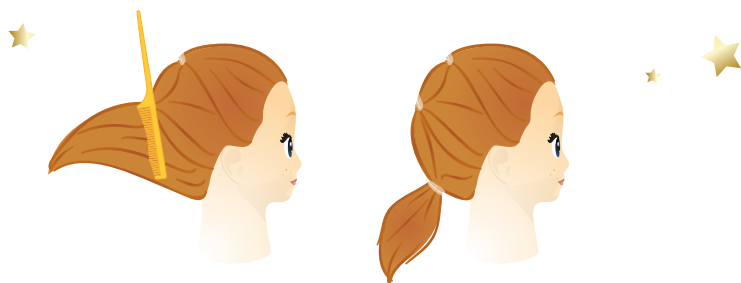

Cu ajutorul pieptenului, adunati putin par din partea de sus a capului pentru a face o jumatate de coada la spate. Prindeti coada cu un elastic mic.

2

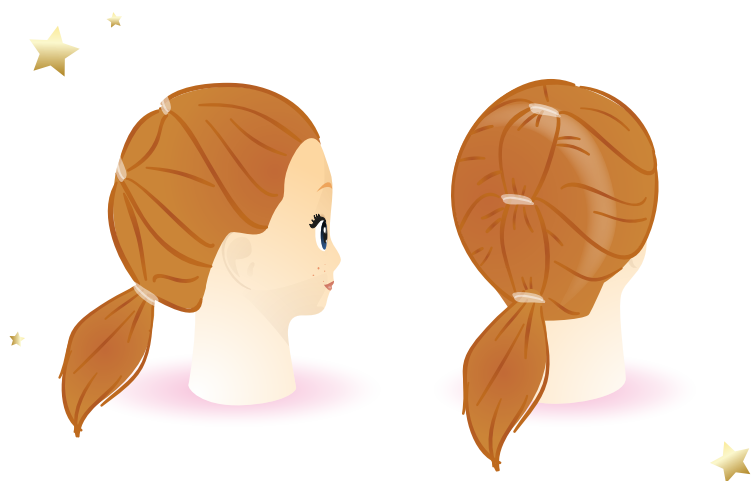

Mai faceti o jumatate de coada la spate folosind parul din dreptul urechilor. Adaugati si prima coada. Prindeti-le impreuna cu un elastic mic.

3

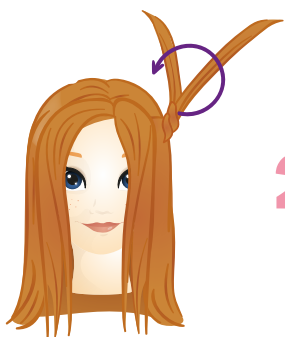

Adunati tot parul pentru a face o coada la spate.
Prindeti-o cu un elastic mic.

1

Luati o portiune de par de deasupra urechii si impartiti-o in doua suvite.

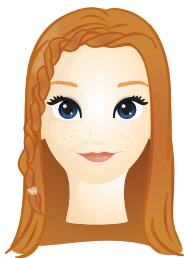

2

Impletiti cele doua suvite.

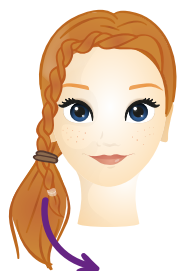

3

Adaugati o mica suvita de par de dedesubt de fiecare data cand incrucisati cele doua suvite. Continuati pana cand ajungeti in dreptul urechii.

4

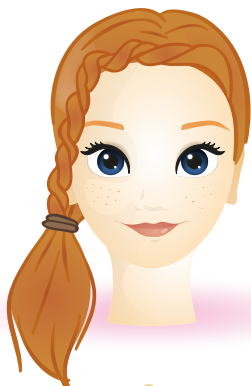

Impletiti in continuare pana la capat fara a mai adauga alte suvite si prindeti cu un elastic mic.

5

Faceti o coada intr-o parte si eliminati elasticul mic de pe codita impletita.

6

1

Folosind pieptenele, luati o portiune mare de par din partea stanga si prindeti-o cu un elastic mic.

2

Cu ajutorul varfului de la pieptan faceti o mica deschizatura. Introduceti cu degetele varful cozii inapoi.

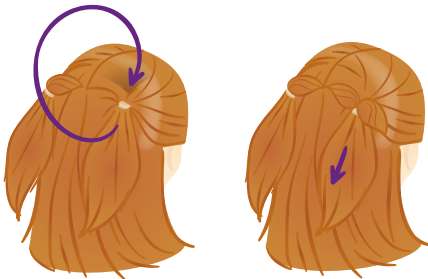

3

Trageți-o în jos pentru a crea un efect de rasucire.

4

Repetati pasii si pentru coada din dreapta.

5

Prindeti cele doua cozi impreuna pentru a face o noua coada impletita.

6

1

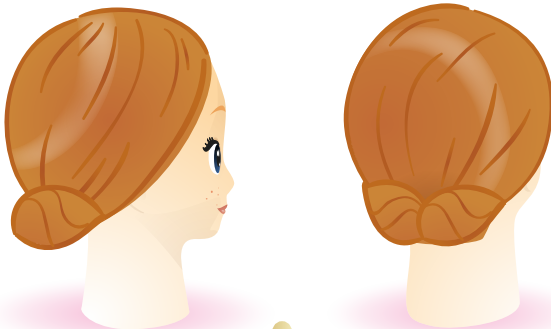

Luati elasticul mare si faceti o coada la spate fara a strange prea tare elasticul.
Creati o gaura cu degetele.

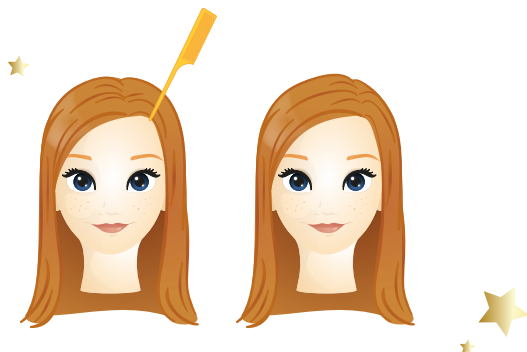

2

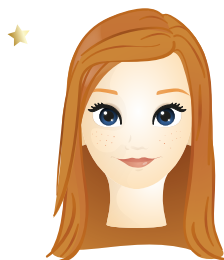

Introduceti toata coada, impreuna cu varfurile in gaura.

3

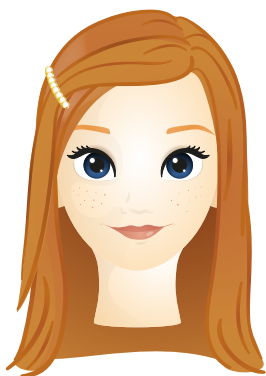

1 Folosind pieptenele, faceti o carare intr-o parte.

2

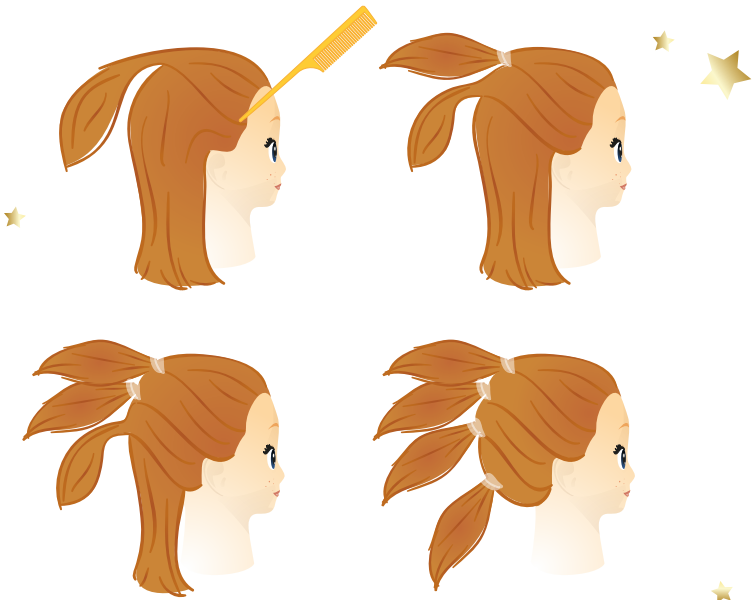

Mutati sectiunea din fata a parului in partea opusa pentru a-i da parului o forma draguta.

Folositi agrafa cu margele pentru a prinde parul.

- 1** Folosind pieptenele, separati parul in 4 nivele.
Prindeti cele 4 cozi cu elastice de par transparente.

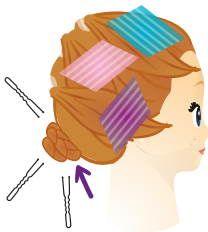

- 2** Prindeti cele 3 cozi de sus cu benzi velcro, pentru a nu va deranja.

3

Separati coada de jos in 3 suvite si impletiti-le. Prindeti coada cu un elastic mic.

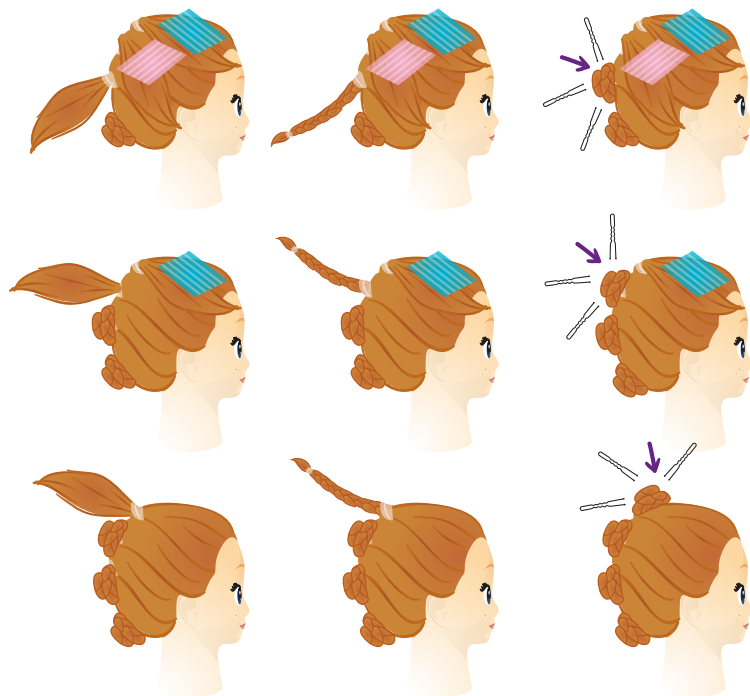

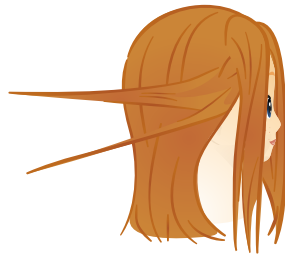

4

Rasuciti coada in jurul ei pentru a crea un mic coc si prindeti-l cu agrafe.

5

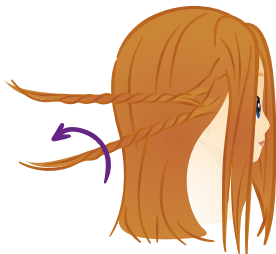

Repetati pasul si pentru celelalte 3 cozi.

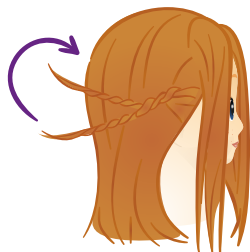

1

Luati portiunea de par de deasupra urechii si impartiti-o in doua suvite.

2

Rasuciti fiecare suvita invers acelor de ceasornic.

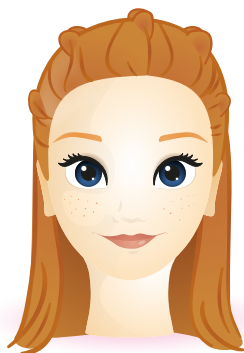

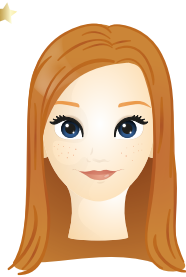

3

Impletiti cele doua codite in directia acelor de ceasornic.
Prindeti coada la capat cu un elastic mic.
De fiecare data cand impletiti suvitele, rasuciti din nou
fiecare suvita.
Repetati pasul de 4 ori pentru a face 5 cozi impletite.

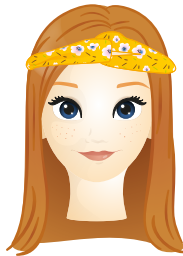

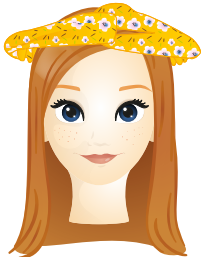

4

1 Periați ușor părul până când este foarte neted.

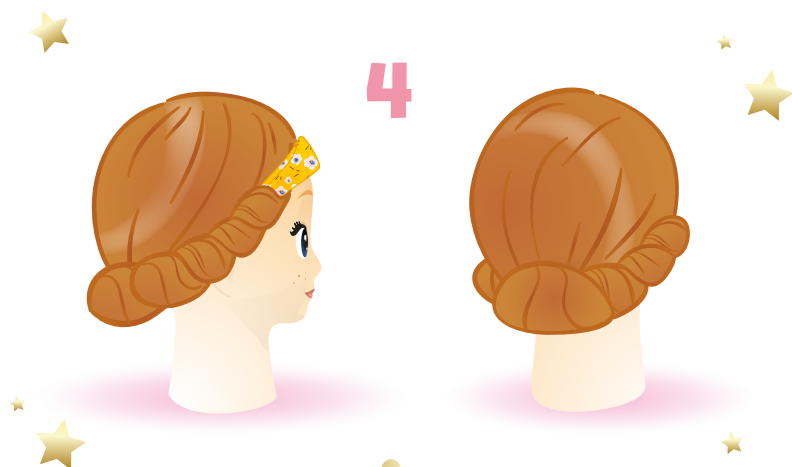

2 Puneți bentița în jurul capului.

3

Luati o suvita din fata si rasuciti-o in jurul bentitei. Faceti acelasi lucru cu tot parul luand pe rand fiecare parte. Toata partea din spate a bentitei ar trebui sa fie acum acoperita de par.

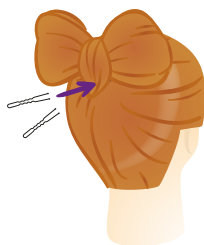

- 1** Faceti o coada inalta, ale carei varfuri sunt intoarse si stau deasupra capului.

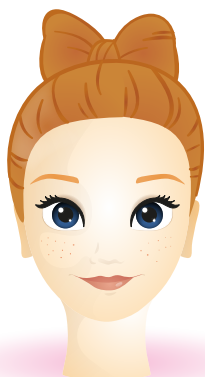

- 2** Impartiti parul in doua.

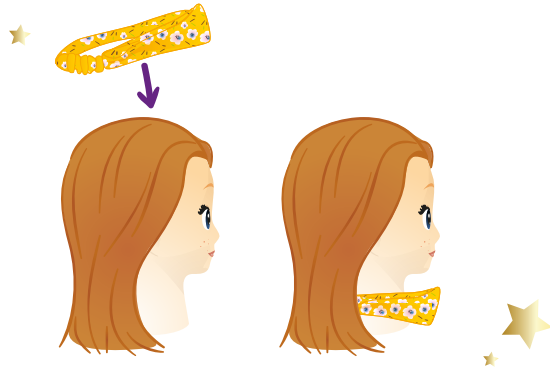

3

Introduceti varfurile in mijlocul cozii despartite si prineti-l in spatele cozii folosind agrafele pentru coc.

4

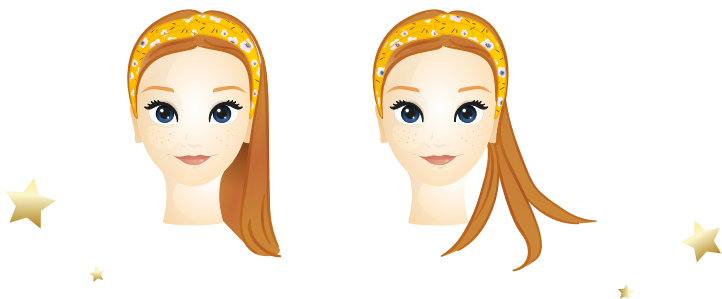

1 Puneti bentita in jurul gatului, dedesubtul parului.

2 Ridicati bentita deasupra capului.

3 Mutati tot parul intr-o parte si separati-l in 3 suvite.

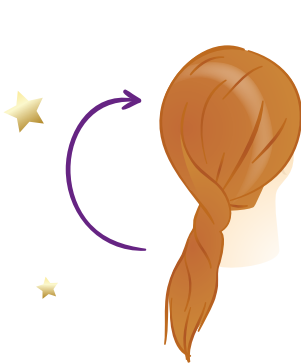

4 Impletiti parul si prindeti-l cu un elastic mic de par.

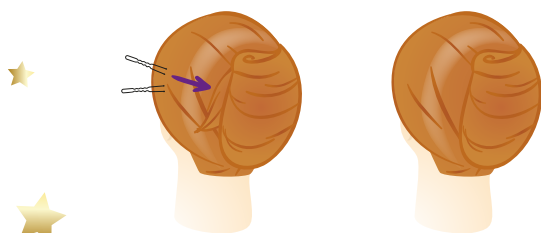

1

Faceti o coada la spate si rasuciti-o pe lungime.

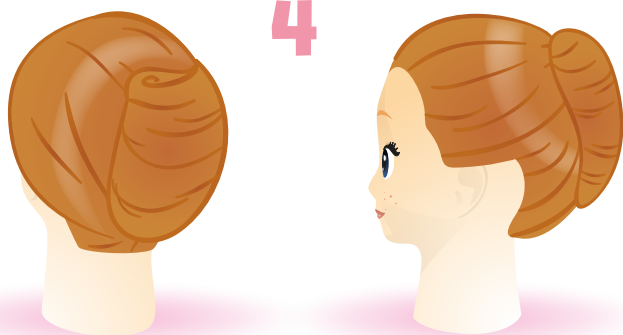

2

Coadă impletită se va rula de una singură.
Cu mână, împingeți părul în sus pentru a face
cocul mai înalt.

3

Ascundeti sub coc si capatul de coada ramas.
Prindeti cocul cu agrafele pentru coc. Folositi intre
3 si 5 agrafe pentru a prinde toate suvitele de par.

1

Cu elasticul mare de par, faceti o coada joasa la spate. Separati coada cu varful pieptenului pentru a face o gaura.

2

Treceti coada prin gaura, de jos in sus

3

Trageți toată coada prin gaura pentru a forma un coc. Ascundeți varfurile cozii sub coc.

4

Ajustați parul pentru a acoperi totul și a crea un coc mare.

1 Separati parul in doua parti egale.

2 Rasuciti fiecare parte in directia acelor de ceasornic.

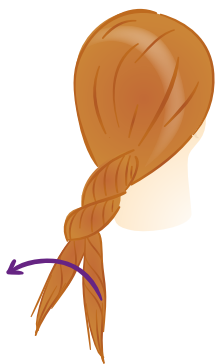

3

Impletiti cele doua cozi.

4

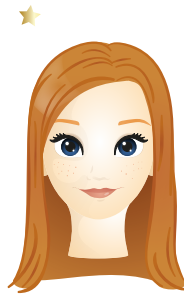

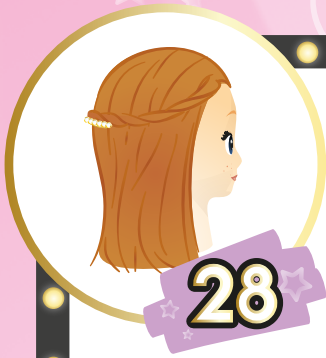

Continuati pana la capatul parului si prindeti cu un elastic transparent.

5

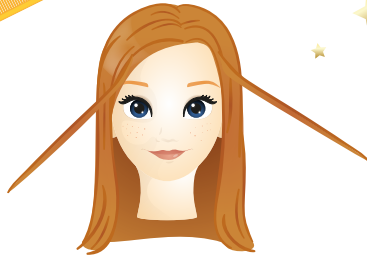

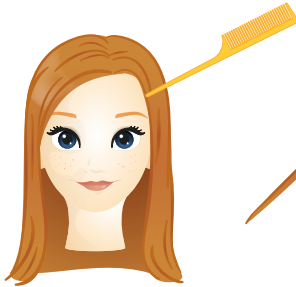

Prindeți elasticul cu funda la capatul cozii.

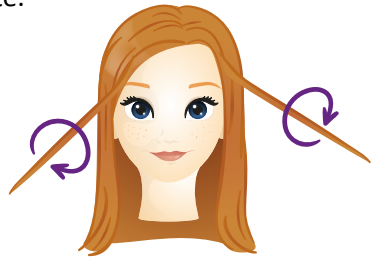

1

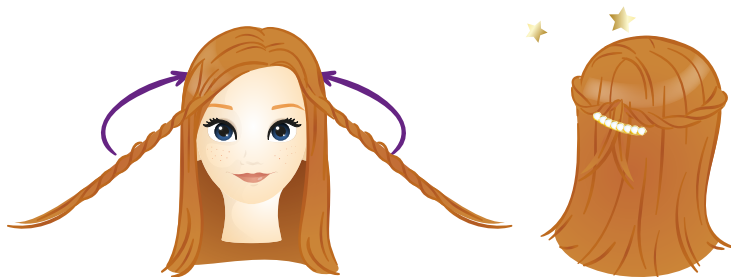

Folosind pieptenele luati doua suvite mici din parti.

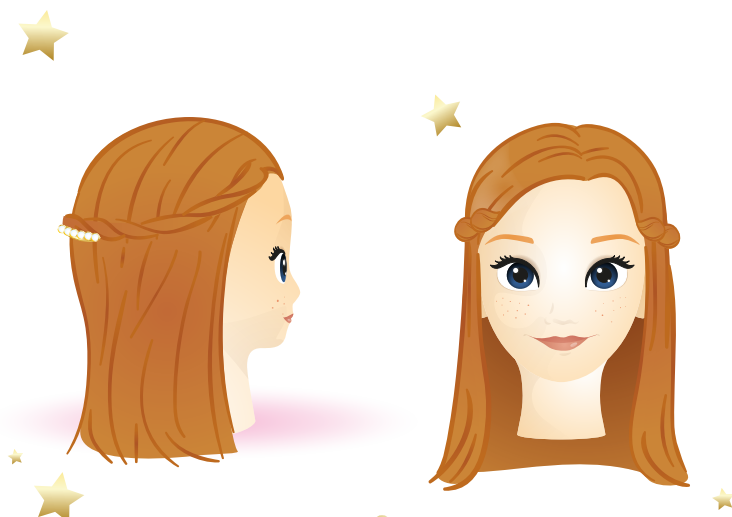

2

Rasuciti-le si uniti-le la spate.

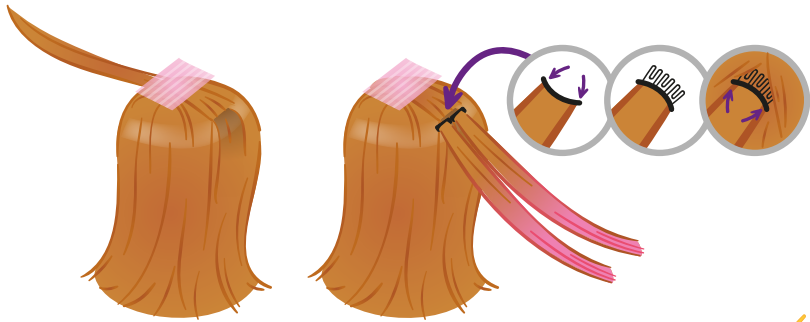

3 Prindeti clama cu margele in dreptul unde se unesc cele doua suvite.

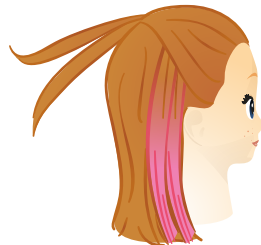

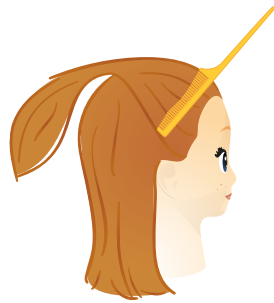

- 1** Fixati cele doua extensii de par in parti, sub doua suvite de par.

- 2** Folosind pieptenele faceti o coada la spate din jumatate de par si impartiti-o in doua sectiuni.

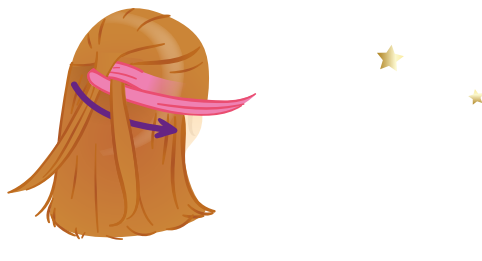

3

Luati cele doua suvite ale extensiilor si mutati-le peste sectiunea de par din dreapta si sub cea din stanga.

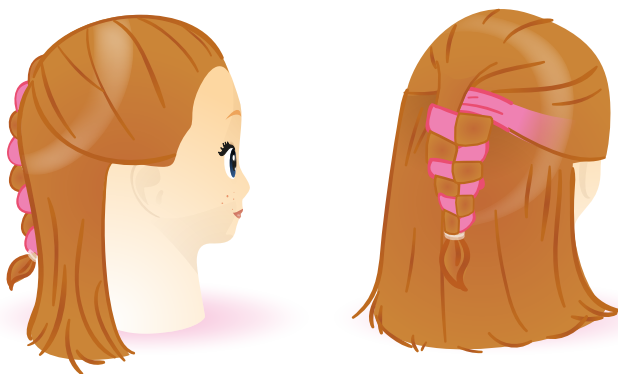

4

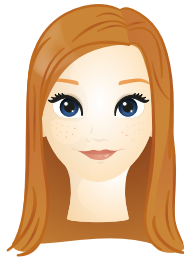

Apoi mutati-le peste sectiunea din stanga si sub cea din dreapta.

5 Cand ajungeti la capatul extensiilor prindeti parul cu un elastic transparent.

- 1** Folositi pieptenele pentru a separa parul din parti.

- 2** Luati o suvita si incepeti sa faceti o impletitura clasica.

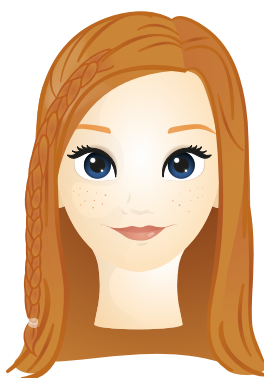

3

De fiecare data cand impletiti din partea stanga adaugati o suvita de la spate. Continuati pana cand ajungeti in dreptul urechilor, apoi finalizati cu o impletitura clasica si prindeti parul cu un elastic mic.
